or

Tuesday, April 13, 9 am – 12:30 pm

Place: NH Fish & Game Dept., 11 Hazen Drive, Concord, NH

Cost: \$40.00, manual and snacks included

Growing Up WILD: Exploring Nature with Young Children is a new supplementary educational program for young learners designed to connect children ages 3 – 7 with nature and wildlife. Workshop participants will have an opportunity to sample Growing Up WILD activities that foster critical early childhood skill development, while tapping into children's sense of wonder about nature and the wildlife around them.

- ✿ Integrates art, music, science, reading, math, and much more in nature-based activities
- ✿ Supports developmentally appropriate practice
- ✿ Correlated to National Association for the Education of Young Children Standards and Head Start Domains
