

# NEW HAMPSHIRE FISH AND GAME DEPARTMENT BEAR AND SMALL GAME MANAGEMENT UNITS

These are the Wildlife Management Units for bear & small game. Rules for various species use subsets of the wildlife management units to set seasons and harvest limits. If a regulation refers to a letter with no numbers and the map displays the letter with numbers after it, the regulation is referring to all units on the map with that letter.

Example: In deer regulations Unit E is referenced. The combination of E1, E2 and E3 make up the area referred to as "E".
